CrossMark is a multipublisher initiative to provide a standard way for readers to locate the current version of an article. By implementing CrossMark, *The Journal of Pediatrics* and Elsevier Inc are committing to maintaining the content it publishes and alerting readers to changes if and when they occur. Clicking on the CrossMark logo will indicate whether an article is current or updates have been published. More information about CrossMark is available at <http://www.crossref.org/crossmark/>. ■
