Support Innovative Initiatives

Donor contributions through the AATS Foundation support the next generation of cardiothoracic surgeons. Identifying surgical leaders early in their career and funding their efforts leads to tomorrow’s innovative initiatives. The skills and knowledge of these surgeons will continue to develop, which directly translates to critical improvements in patient care.

Your gift matters. Thanks to the contributions of generous donors, 25 programs around the globe are supported across the three sub-specialties, promoting excellence in clinical care, and directly impacting patient outcomes.

The success of the AATS Foundation depends on you. Make your tax-deductible gift at aatsfoundation.org, or contact the AATS Foundation Development office: 978-252-2200, Ext 544. Every individual, one-time gift of \$5,000 or more will be doubled, thanks to the current AATS matching grant.
