AATS 100th Annual Meeting: A Virtual Learning Experience

All presentations from the 100th Annual Meeting are now available on demand until September 23 on aats.org. Stay tuned for details on the 101st Annual Meeting and Aortic Symposium, taking place May 1-4, 2021, in Seattle, WA.

View Updated Content on AATS Online

You can now view presentations from the 2019 International Thoracic Surgical Oncology Summit and 2020 Mechanical Support for the Heart and Lung Symposium on AATS

Online. Access any of the presentations from the two-day meeting via the button below or go to AATS Online in the top navigation menu on the AATS Web site and select on Presentations from the drop-down menu. You will be prompted to log in and can use the available links if you do not know your user name and password.

To see the presentations from these or any other meeting, use the filter on the left side of the Presentation page to select the meeting from the drop-down menu and set the year. Refine your search further by using the search box to look for specific topics or presenters.

You can also search for other content on AATS Online including surgical videos, images, guidelines, and discussions with experts.

Update Your AATS Profile

Check that the information in your aats.org profile is current to ensure that you are receiving AATS information that is most important to you. By updating your contact information and sharing your areas of interest, you will be able to optimize your use of AATS Online and receive relevant AATS news. While you are in your profile, you can upload a recent photo, view your AATS activity, and more. To access your profile, log in using the “Sign In” or “My Account” link at the top of aats.org.

Make Your End-of-Year Gift

Thank you to those who have shown that you understand the importance of giving generously to support the next generation of cardiothoracic surgeons. As the end of the fiscal year quickly approaches, *we challenge you* to donate and underwrite the scholarship that advances the mission. In this unprecedented year, your support is needed now more than ever.

There are a variety of options for donors who want to ensure the future of cardiothoracic surgery, including direct gifts, donated honoraria and stock, planned gifts, and tribute/memorial gifts. There are also opportunities to start

“How can we keep growing stronger? How can we make an even bigger impact on our patients and the world? Start by giving to the AATS Foundation, today.”
— David Adams, MD,
AATS Foundation President

a program in honor of a mentor or fund a named award that will support a surgical investigator.

The matching grant issued by the AATS remains active up to a total of \$250,000. Every individual one-time gift of \$5,000 or more will be doubled, making each dollar you contribute twice as valuable.

Learn more about the various ways to make a gift on aatsfoundation.org.
