

## Corrigendum: Recent Trends in the Incidence and Survival of Stage 1A Pancreatic Cancer: A Surveillance, Epidemiology, and End Results Analysis

*Corrigendum: Recent Trends in the Incidence and Survival of Stage 1A Pancreatic Cancer: A Surveillance, Epidemiology, and End Results Analysis.* Blackford, AL, et al. *J Natl Cancer Inst.* djaa004.

The images for Figures 3 and 4 are in the wrong places. Figure 3 should be in the place of Figure 4 with the figure legend “Trends in 5-year overall survival probabilities according to pancreatic cancer stage (2004–2012) labeling the figure with Five-year Overall Survival Probability on its Y-axis.” Figure 4 should be in the place of Figure 3 with the figure legend “Trends in mean age at diagnosis according to pancreatic cancer stage (2004–2016) labeling the figure with Mean age at Diagnosis on its Y-axis.”

The authors apologize for the error.
