

2020 Acknowledgment of Reviewers

To our reviewers for the year 2020, we give our great thanks. This journal would not be what it is without your expertise and hard work. Thank you for your hard work and expertise. Here's hoping that 2020 has been safe and healthy for your and your families and that 2021 will be a better year for all of us. — The Editors of the JSES Family of Journals.
